*Présentation de l'éditeur*Bryn Halbrook had always seen the glow on the people around her. And she knows all too well what psychiatrists do to people who claim impossible powers. She's always stayed below the radar, but when she discovers the meaning of the beautiful auras, she's not sure why she was cursed with the ability to see the soon-to-be-dead and be unable to do anything about it. But Bryn is on the brink of the unbelievable truth - she is a creature from myth. Valkyrie- a warrior maiden of the God Odin. And a Collector of Souls. Aidan Lee just can't do what he's told. Visiting Craven was not supposed to be a time to fall in love. He's just helpless when faced with the beautiful Brynhildr, but there is more to the biker dude that either Bryn or Aidan himself knows. Can their fledgling love survive the secrets and intrigue, the reality of Odin's realm of Asgard, the pressures of being a warrior of the gods, But Bryn lucks out when the Trickster god Loki sets his sights on her. Can Bryn hold her own against the charmingly manipulative god long enough to discover what Loki is really planning? Dead Radiance is a fantasy filled with passion and intrigue, betrayal and broken hearts, that will keep you turning the page. Originally released: February 22, 2012 Other Books in this series: Dead Radiance (#1) The Valkyrie Series Dead Embers (#2) The Valkyrie Series Dead Chaos (#3) The Valkyrie Series Dead Wrath (#4) The Valkyrie Series Dead Silence (#5) The Valkyrie Series (2015) *Présentation de l'éditeur*Bryn Halbrook had always seen the glow on the people around her. Poetry was my first foray into the art of the written word. Books were my best friends, my escape, my haven. I am essentially a recluse but this part of my personality is impossible to practise given I have two teenage daughters, who are actually my friends, my tea-makers, my confidantes... I am blessed with a husband who has left me for golf. It's a fair trade as I have left him for writing. We are both passionate supporters of each others loves - it works wonderfully... My heart is currently broken in two. One half resides in South Africa where my old roots still remain, and my heart still longs for the endless beaches and the smell of moist soil after a summer downpour. My love for Ma Afrika will never fade. The other half of me has been transplanted to the Land of the Long White Cloud. The land of the Taniwha, beautiful Maraes, and volcanoes. The land of green, pure beauty that truly inspires. And because I am so torn between these two lands - I shall forever remain

Viking legend meets paranormal  
Par S. J. Dagg  
Dead Radiance (A Valkyrie Novel) by T G Ayer is definitely different YA paranormal. Brynhildr Halbrook is an orphan, currently being foster-mothered by Mrs Custer in Craven. Bryn isn't particularly happy. She's not the same as other kids and doesn't socialise a great deal or make many friends. And on top of that she now discovers she has a gift she hates - she can tell when people are going to die, and there isn't a thing she can do about it. She considers herself a head case. Then the mysterious and attractive Aidan turns up in Mrs Custer's foster care too. He seems very interested in Bryn but she tries to keep her distance. However, after another death that she foresaw, that of her own foster brother Brody, she confides in Aidan. But then he disappears, however, he leaves some clues behind so Bryn is able to work out exactly who - or what - she is. It's a shocking realisation, and even more so when she learns that her father was responsible. Bryn is eventually retrieved by Fen and taken to Asgard, home of the Valkyries. She has a mission in mind - to bring Brody back. It's not going to be easy, especially not with an assortment of untrustworthy gods and a whole new mythical culture to deal with. This book is a fascinating mixture of legend and modern paranormal. Bryn is an interesting character and makes for a very likeable and courageous heroine. The novel is well written with exciting action, but also reflection and emotion. There's plenty of raw grief. A very enjoyable read and there's more to come in the series.
